

Ordnance Survey Ireland

Price list for aerial photography and survey control

Effective from 1 October 2002

This price list applies to the supply of aerial photography on paper or film, and survey control information. Digital versions of aerial photography are covered by the Annual Licence and Project Data Licensing price lists.

Relevant terms used in this price list are defined in the 'General Principles and Definitions' price list (GP1).

In all cases, a minimum invoice amount of €35 applies. All prices are quoted exclusive of VAT, which applies at the services rate, and of postage and packing charges.

A Aerial photography

OSi holds a large library of aerial photography, the bulk in black and white but some of the more recent images in colour. We are also able to offer enlargement services, the supply of stereo pairs of photographs, and mounting and laminating services.

The categories of photography that we have available are as follows:

- High flown (small scale) photography of the entire country, flown at three dates:
 - 1970s (1:30,000 scale black and white)
 - 1995 (1:40,000 scale black and white)
 - 2000 (1:40,000 scale colour, and black and white)
- Medium and low flown (at scales between 1:2,000 and 1:15,000) photography of a variety of locations flown at a variety of dates (mainly in black and white).

A.1 High flown (small scale) photography

Our prices for this photography are as follows:

Date of photography	Scale	Price per contact print	Price for first stereo pair	Price for further stereo pairs
1970s black and white	1:30,000	€ 27.00	€ 405.00	€ 81.00
1995 black and white	1:40,000	€ 44.00	€ 880.00	€ 176.00
2000 black and white	1:40,000	€ 54.00	€ 1,350.00	€ 270.00
2000 colour	1:40,000	€ 60.00	€ 1,500.00	€ 300.00

In addition, OSi has a limited library of other high flown (small-scale) photography of different dates. The exact scale of different photographs varies but in general the photographs are at scales between 1:15,001 and 1:40,000. The prices for this photography are as follows:

Type of photography	Price per contact print	Price for first stereo pair	Price for further stereo pairs
Black and white	€ 54.00	€ 945.00	€ 189.00
Colour	€ 60.00	€ 1,050.00	€ 210.00

Notes:

- For all photography, a contact print measures 225 mm x 225 mm (9" x 9")

A.2 Low and medium flown (larger scale) photography

Our prices for this photography are as follows:

Scale of photography	Price per contact print	Price for first stereo pair	Price for further stereo pairs
Large-scale black and white	€ 27.00	€ 675.00	€ 135.00
Large-scale colour	€ 30.00	€ 750.00	€ 150.00
Medium-scale black and white	€ 40.00	€ 800.00	€ 160.00
Medium-scale colour	€ 45.00	€ 900.00	€ 180.00

Notes:

- In this context, large-scale photography is that at scales between 1:1,000 and 1:5,000; medium-scale is generally that at scales between 1:5,001 and 1:15,000
- For all photography, a contact print measures 225 mm x 225 mm (9" x 9")

A.3 Enlargements

OSi offers an enlargement service for both colour and black and white photography. The prices which apply for this service are as follows:

	Up to 36" x 36"	Up to 40" x 40"	Larger lengths
1970s small scale photography	€ 120.00	€ 180.00	Pro rata
1995 small scale photography	€ 150.00	€ 225.00	Pro rata
All other black and white photography	€ 180.00	€ 270.00	Pro rata
All other colour photography	€ 200.00	€ 300.00	Pro rata

Notes:

- The maximum width of an enlargement is 40"; additional length is charged pro rata – a 40" x 60" enlargement is therefore 1.5 times the price of a 40" and 40" enlargement

A.4 Oblique photography

OSi has a limited library of oblique colour photography. Reproductions of this are available at the following prices:

Size	Price
Up to 20" x 20"	€ 54.00
Up to 20" x 24"	€ 60.00
Up to 30" x 40"	€ 105.00
Up to 40" x 40"	€ 135.00

B Mounting and laminating

OSi is able to offer a mounting and laminating service for many OSi products. Prices for the most frequently requested items are as follows. Other prices are available on request.

Product	Price
Laminated Dublin City Map (both sides, joined)	€ 37.33
Laminated 1:450,000 map of Ireland	€ 26.67
Laminated 1:50,000 Discovery map	€ 17.78

C Survey control

OSi provides a centre of expertise in issues related to survey control. The following prices apply to specific items:

Item	Price
IRENET'95 control station coordinates	Freely available from OSi web site
Densification point coordinates	Freely available from OSi web site
Benchmark details	€ 45.00

Notes:

- IRENET'95 and Densification point coordinates include a diagram showing location, the coordinates in Irish Grid (IG), Irish Transverse Mercator (ITM) and ETRF89 coordinate reference systems, and in many cases a height relative to Malin Head
- Benchmark details include a diagram showing location and a height relative to Malin Head

In addition, enquiries which involve extensive research are charged at €50 per hour. An estimated time will be agreed with the customer in advance; the need to continue beyond this time will be agreed with the customer as necessary. The charge for research is in addition to the price of any products purchased.
