

Auctioneers, Valuers and Estate Agents Annual Copyright Licence - AU1

Introduction

This Licence is one of a range of copyright products, designed to facilitate Auctioneers, Valuers and Estate Agents and their use of OSi data in property leaflets and brochures.

Ordnance Survey Ireland (OSi) maps, data and publications are copyright Ordnance Survey Ireland and Government of Ireland and are protected under the terms of the Copyright Acts.

Anyone wishing to reproduce OSi material, or use it as a basis for their own publications, must obtain a licence from OSi.

The Estate Agents Annual Licence covers reproduction of OSi data in the normal course of business for a period of one calendar year. This eliminates the necessity to apply to OSi for copyright permission every time OSi maps, aerial photography or data are used in promotional property brochures, property leaflets or newspapers.

Licence Benefits

The Annual Licence permits Estate Agents, Auctioneers and Valuers to use Ordnance Survey Ireland material in the following ways:

- Make copies for use within the business environment.
- Publish in property promotional material.
- Publish on the internet map extracts not exceeding 200cm² at source scale.
- Reproduce facsimile copies for attachment to promotional material.
- Advertise properties in National or Regional newspapers.

Licence Fees

Licence fees are based on a unit price per outlet. The licence fee per outlet is €400.00 per annum.

Prices subject to the current rate of higher VAT 23%.
