### **WRITTEN DESCRIPTION**

This station consists of a brass rivet set kerb of footpath that surrounds Cahirciveen sewerage treatment scheme. It is situated on the northeast end of plant on the straight of wall running through the center. Approached by taking the second turn to the right after the R.C. church in the town center when coming from Killorglin, follow past old church through housing estate and there is a tarmacadamed road leading all the way to the scheme.

**Note:** All measurements shown are in metres. Sketch is not to scale.
