WRITTEN DESCRIPTION

This station consists of a brass rivet set on a bed of flat rock. The rivet is surrounded by a white triangle. The mark is on a small hillock overlooking new lake and is approx 150m north of an old mill on the Dunfanaghy – Fallcarragh roadway, north side of road. Due to the nature of the surrounding terrain no accurate measurements can be given.

GEODETIC SURVEYOR : K. Curran

DATE: 21.06.95
